

The FRANC (FRANC) swap with Kryptofranc (KYF) has been completed successfully.

Paris, France 06/04/2021:

Nicolas Choukroun the author of Kryptofranc announced the swapping of the KYF from their blockchain to the more established and reliable Tron (TR) block chain. The new coin was named FRANC (FRANC) and listed at the CREX24 exchange.

The operation took place between the 17th March 2021 and the 27th of March 2021 giving 10 days for the Kryptofranc owners to take out their Kryptofranc from the exchange CREX24.

The 6th of April 2021 swap has been completed successfully.

FRANC is now fully operational and all the investors have swapper all their KYF to FRANC.
